Based on ACGME or IOM related competency and Needs Gap , the following are the results expected (outcomes) for this activity in terms of specific improvements in patient care or other work related to the practice of medicine.

PERSONALIZING HIV TREATMENT AND PREVENTION IN 2020 - Rena Patel MD ,MPH

- | | |
|---|--|
| x | Improvements in patient care based on evidence-based treatment |
| | Reduce Health care costs |
| | Streamline care of patients |

THE CURRENT LANDSCAPE FOR VIRAL HEPATITIS AND NON-ALCOHOLIC FATTY LIVER DISEASE IN THE UNITED STATES- Channa Jayasekara MD

- | | |
|---|---|
| | Description |
| | 1. For non-specialists to have an updated understanding of the disease burdens and therapeutic options for patients with chronic hepatitis B, C and non-alcoholic fatty liver disease. |
| x | 2. For non-specialists to develop an increased willingness to engage in the management of three high-prevalence medical conditions, chronic hepatitis B, chronic hepatitis C, and non-alcoholic fatty liver disease. |
| | 3. To improve the rates of disease screening, risk stratification, and linkage to care, and ultimately mitigate excess disease burden and death related to chronic hepatitis B, chronic hepatitis C, and non-alcoholic fatty liver disease. |
| | Improvements in patient care based on evidence-based treatment |
| | Reduce Health care costs |
| x | Streamline care of patients |

TESTICULAR CANCER 101- Rohan Sharma MD

- | | |
|---|--|
| x | Improvements in patient care based on evidence-based treatment |
| | Reduce Health care costs |
| x | Streamline care of patients |

PERSONALIZED TREATMENT OF EARLY STAGE BREAST CANCER - Swathi Namburi MD

- | | |
|---|--|
| x | Improvements in patient care based on evidence-based treatment |
| | Reduce Health care costs |
| | Streamline care of patients |

WOMEN AND VEINS - Kathy Gibson MD

- | | |
|---|--|
| x | Improvements in patient care based on evidence-based treatment |
| | Reduce Health care costs |
| x | Streamline care of patients |

MSK ULTRASOUND - Atul Gupta MD

Your description

- Improvements in patient care based on evidence-based treatment
- Reduce Health care costs
- Streamline care of patients

SELECTING DISEASE-MODIFYING ANTI-RHEUMATIC DRUGS FOR RHEUMATOID ARTHRITIS - Amish J Dave MD

- Improvements in patient care based on evidence-based treatment
- Reduce Health care costs
- Streamline care of patients

WAPI, an organization that is driven by the consensus of its members that has the following mission:

To provide an umbrella organization to bring together American Physicians, Dentists and Allied Healthcare Professionals of Indian Origin, defining Indian in the broad sense of Indian Ancestry; to provide a conduit to strive to be an exemplary strong ethnic group of professionals with a mission to serve the community by their expertise, cultural heritage and charitable work; to provide high educational and social services to its members. We envision this to be a collegial organization with actively participating members,

who believe in its mission and are willing to further its cause.
