

KATHLEEN D. GIBSON, MD

1135 116th Ave NE, Suite 305
Bellevue, WA 98004
(425) 453-1772

PERSONAL

Born in Lafayette, Indiana; October 26, 1966

EDUCATION

Endovascular Fellowship: Kaiser Permanente Hospital
Honolulu, HI; October-December 2001

Fellowship: University of Washington School of Medicine
Vascular Surgery, June 1999-June 2001

Residency: University of Washington School of Medicine
General Surgery; 1994-June 1999

MD: University of Washington School of Medicine
Seattle, WA; September 1990-June 1994

BS: University of Washington
Seattle, WA
Major: Chemical Engineering
September 1985-December 1989

PROFESSIONAL EXPERIENCE

Vascular Surgeon
Partner, Lake Washington Vascular Surgeons PLLC
Medical director, September 2018-present
Bellevue and Kirkland, WA
Privileges held at:
Overlake Hospital Medical Center, Bellevue, WA
Evergreen Hospital Medical Center, Kirkland, WA
July 2001-present

Chief of Surgery
Overlake Hospital Medical Center, Bellevue, WA
September 2005-December 2007

BOARD POSITIONS

Overlake Hospital Medical Center Board of Directors
Board Member At-large, July 2010-January 2013
American Vein and Lymphatic Society (Formerly American College of
Phlebology)
Board of Directors, July 2014-present
Executive Board, November 2018-present
American Board of Venous and Lymphatic Medicine
Board of Directors, September 2015-present

BOARD CERTIFICATION

American Board of Surgery
February 2000, September 2011

American Board of Surgery, Vascular Surgery
May 2002, November 2011

STATE LICENSURE

1994-present Washington State MD 0036183
2001-present State of Hawaii MD 11532

COMMITTEES AND EDITORIAL BOARDS

2018-present Secretary, Executive Committee, American Vein and Lymphatic
Society
2019-present Membersip Committee, American Vein and Lymphatic Society

2018-present Research Standing Committee, American Vein and Lymphatic
Society
2018-present International Pelvic Vein Work Group (co-sponsored by AVLS
and SIR)
2018-present Selected reviewer, British Medical Journal
2009, 2014, American College of Phlebology Program Committee
2018
2017-2019 American College of Phlebology: Registry Research Co-chair
2016 American College of Phlebology: Annual Program Chair
2016-present American Venous Forum, Bylaws Committee
2015-present American Board of Venous and Lymphatic Medicine: Question

- Writing Committee
- 2014-present American College of Phlebology: Guidelines Committee
- 2014-present American College of Phlebology: Scientific Committee
- 2014-present Vein Magazine: Medical Advisory Board
- 2013-present European Journal of Vascular and Endovascular Surgery: Selected Reviewer
- 2013-2016 American Board of Surgery: Vascular Surgery Qualifying Exam Committee
- 2013-present Society for Vascular Surgery: VESAP Writing Committee
- 2013-2015 American Venous Forum : Vascular Fellow’s Education Committee, 2014 Chair
- 2013-2019 American Venous Forum: Membership Committee, 2018 Chair
- 2013-2016 American College of Phlebology: ACCME Committee
- 2013-present Phlebology: Selected Reviewer
- 2013-present European Journal of Vascular Endovascular Surgery: Selected Reviewer
- 2011-present Journal of Vascular Surgery: Selected Reviewer
- 2007-2010 Western Vascular Society: Membership Committee

CLINICAL TRIALS

Arterial Trials:

Principal Investigator, Bellevue Site, CREST II H trial, sponsored by National Institutes of Health/Mayo Clinic, March 2019-present

Sub- Investigator, Bellevue Site, Tack Optimized Balloon Angioplasty Study for the Treatment of Below the Knee Arteries Using the Tack Endovascular System (TOBA II BTK), sponsored by Intact Vascular, August 2018-present.

Principal Investigator, Bellevue Site, Rivaroxaban for the Prevention of Major Cardiovascular Events in Coronary or Peripheral Artery Disease Long Term

Open Label Extension (COMPASS-LTOLE), sponsored by Bayer, February 2018-present

Principal Investigator, Bellevue Site, CREST II, sponsored by National Institutes

of Health/Mayo Clinic, November 2015-present

Principal Investigator, Bellevue Site, Rivaroxaban for the Prevention of Major Cardiovascular Events in Coronary or Peripheral Artery Disease (COMPASS), sponsored by Bayer, September 2014-2018

Investigator, Bellevue Site, Mechanisms of Arterial Graft Healing, sponsored by the National Institutes of Health/University of Washington, August 2012-2018

Dialysis Access Trials:

Sub-Investigator, Bellevue Site, A Study of Vonapanitase (PRT-201) Administered Immediately After Radiocephalic Arteriovenous Fistula (AVF) Creation in Patients with Chronic Kidney Disease (CKD) PATENCY-2, sponsored by Proteon, January 2016- March 2019

Sub-Investigator, Bellevue Site, A Study of PRT-201 Administered Immediately After Radiocephalic Arteriovenous Fistula (AVF) Creation in Patients with Chronic Kidney Disease (CKD), sponsored by Proteon, August 2014-2019t

Hemostasis Trials:

Sub-Investigator, Bellevue Site, Effectiveness and Safety of CELSTAT for Hemostasis in Intraoperative Tissue Bleeding, sponsored by Baxter Healthcare Corporation, February 2016-2017

Principal Investigator, Bellevue Site, Phase III TC-2402-039-SP trial. randomized, open label, parallel-Group, multi-center Trial to compare efficacy and safety of TachoSil® versus Surgicel® original for the secondary hemostatic treatment of needle hole bleeding in vascular surgery, sponsored by Takeda Nycomed, February 2012-2016

Principal Investigator, Bellevue Site, Phase III, Randomized, Single-Blind, Controlled Trial of Topical Fibocaps in Intraoperative Surgical Hemostasis, Sponsored by ProFibrix, Inc. June 2012-July 2013

Principal Investigator, Bellevue and Kirkland Site, Phase III Clinical Evaluation of Efficacy and Safety of FS VH S/D for Hemostasis in Subjects Undergoing

Vascular Surgery, sponsored by Baxter Healthcare Corporation, July 2010-December 2010

Thromboembolism Trials:

Principal Investigator, Bellevue Site, EINSTEIN CHOICE: sponsored by Bayer, October 2015-2017

Principal Investigator, Bellevue Site, Warfarin Adverse Event Reduction for Adults Receiving Genetic Testing at Therapy Initiation, sponsored by Iverson Genetics Diagnostics, Inc, November 2011-September 2015

Principal Investigator, Bellevue Site, Phase III AMPLIFY trial (Efficacy and Safety Study of Apixaban for the Treatment of Deep Vein Thrombosis or Pulmonary Embolism), sponsored by Bristol Myers Squibb/Pfizer, November 2010-2012

Principal Investigator, Bellevue Site, Phase III AMPLIFY-EXT trial (Efficacy and Safety Study of Apixaban for Extended Treatment of Deep Vein Thrombosis or Pulmonary Embolism), sponsored by Bristol Myers Squibb/Pfizer, November 2010-December 2012

Principal Investigator, Bellevue Site, Phase III RECOVER trial (Dabigatran etexilate versus coumadin for acute symptomatic venous thromboembolism), sponsored by Boehringer Ingelheim, March 2009-September 2010

Principal Investigator, Bellevue Site, Phase III RESONATE trial (Dabigatran etexilate versus placebo in the long term prevention of recurrent symptomatic venous thromboembolism), sponsored by Boehringer Ingelheim, March 2009-December 2010

Superficial Venous Trials:

Principal Investigator, New WAVES trial: Clinical and Patient-Centered Outcomes Three Years after Venaseal Treatment: Lake Washington Vascular Venaseal Post-Market Evaluation, Investigator driven with grant from Medtronic, October 2019-present

Principal Investigator, VenaSeal VALUE: VenaSeal v. Ablation with Endothermal Laser or Radiofrequency for Saphenous Vein Incompetence: a Comparison of Utilization of Phlebectomy, Investigator driven with grant from Medtronic, June 2019-present

Principal Investigator, VeClose 5 year extension: Randomized Control Trial Comparing VenaSeal Closure System With Radiofrequency Ablation, Sponsored by Medtronic, March 2018-January 2019

Principal Investigator, VICARES: A Study Evaluating ClariVein with a Sclerosing Agent for the Treatment of Venous Insufficiency: Sponsored by Vacular Insights, November 2017-December 2018

Principal Investigator, WAVES: Lake Washington Vascular VenaSeal Post-Market Evaluation, Investigator driven with grant from Medtronic, October 2015-January 2017

Principal Investigator, Bellevue and Kirkland site, COMFORT: A Multicenter, Open-label, Randomized Cross-over Study to Evaluate Pain Following Treatment of Varicose Vein With Varithena Compared to Radiofrequency Ablation, sponsored by BTG, June 2015-2016.

Principal Investigator, Bellevue Site, SECURE trial: Prospective Safety and Effectiveness Study: VenaCURE Endovenous Laser Treatment Fiber Procedure Kit for Treatment of Incompetent Perforator Veins, sponsored by Angiodynamics, October 2014-February 2019

Principal Investigator, Bellevue site, VeClose: Randomized Control Trial Comparing VenaSeal Saphenous Closure System With Radiofrequency Ablation, Sponsored by Saphenous, March 2013-2016

Principal Investigator, A Comparison of Specialized versus Standard Compression After Saphenous Ablation (COSSCA Trial), Sponsored by Sigvaris, May 2012-November 2012

Principal Investigator, Bellevue and Kirkland Site, Phase III Endovenous Ablation With and Without Polidocanol Endovenous Microfoam Treatment for Patients With Great Saphenous Vein Incompetence and Visible Varicosities (017), sponsored by BTG, April 2011-June 2012

Principal Investigator, Bellevue Site, Phase III Polidocanol Endovenous Microfoam (PEM) Versus Vehicle for the Treatment of Saphenofemoral Junction (SFJ) Incompetence (VANISH-2) , sponsored by BTG, November 2010-November 2011

Principal Investigator, Bellevue Site, Phase III Polidocanol Endovenous Microfoam (PEM) Versus Vehicle for the Treatment of Saphenofemoral Junction (SFJ) Incompetence (VANISH-2) Extension Trial, sponsored by BTG, November 2011-2014

Principal Investigator, Bellevue Site, Phase III An Open-label, Single-dose Pilot Study to Evaluate Varisolve® (Polidocanol Endovenous Microfoam (PEM)) 0.125% [0.2%] for Varicose Veins , sponsored by BTG, July 2009-September 2010

Principal Investigator, Bellevue Site, Phase III Randomized, Single Blind, Placebo Controlled, to Evaluate Efficacy and Safety of Polidocanol Endovenous Microfoam for Treatment of Symptomatic, Visible Varicose Veins With SFJ Incompetence (Pilot), sponsored by BTG, October 2008-September 2009

Principal Investigator, Bellevue Site, Savvy Trial (Study of Apppearance and Symptom Improvement following Treatment of Varicose Veins), sponsored by BTG, July 2008-April 2009

Principal Investigator, Bellevue Site, Phase II Safety Study of Varisolve® Procedure for Treatment of Varicose Veins in Patients With Right-to-left Cardiac Shunt (MRI), sponsored by BTG, January 2007-July 2009
Sub-Investigator, RELIEVE Trial, sponsored by Vascular Solutions, June 2007-2008 (laser closure of perforator veins)

Venous Stent Trials:

Principal Investigator, ABRE trial, sponsored by Medtronic, January 2018-present (venous stents for iliac venous disease)

Sub-Investigator, VERNACULAR Trial, sponsored by Bard, October 2016-present (venous stents for iliac venous disease)

Venous Ulcer Trials:

Sub-Investigator, VIEW-VLU Trial, sponsored by BTG, January 2018-present. Effect of Varithena on wound healing in venous leg ulcers

Principal Investigator, Bellevue Site, HP 802-247-09-015 Phase II venous ulcer trial to determine the effectiveness of two dosing frequencies and two different concentrations of HP802-247, together with standard care, compared to placebo, plus standard care, sponsored by Healthpoint, February 2010-February 2011

Principal Investigator, Bellevue Site, HP 802-247-09-016 Phase II trial examines the durability of previous target wound closures, identify new test article-related adverse events, record new target wound closures, and examine ongoing adverse events not resolved in subjects who participated in HP 802-247-09-015, sponsored by Healthpoint, February 2010-June 2011

**HONORS AND
ORGANIZATIONS**

- * Society of Vascular Surgery
- * American Venous Forum
- * American Vein and Lymphatic Society (formerly ACP)
- * Outpatient Endovascular and Interventional Society
- * European Venous Forum
- * Western Vascular Society
- * Pacific Northwest Vascular Society
- * Fellow, American College of Surgeons
- * Alpha Omega Alpha
- * Washington State Medical Association

Clinical Practice:

- *3rd Place Academic Paper, American Vein and Lymphatic Society Annual Congress, November 2019
- *Best Academic Paper, American College of Phlebology 32nd Annual Congress, November 2018
- *Named a Seattle Metropolitan Magazine “Top Doctor” 2010, 2013, 2014, 2015, 2016, 2017, 2018, 2019
- * Named a Seattle Magazine “Top Doctor” 2007, 2008, 2009, 2013, 2015, 2017, 2018, 2019
- * Bronze Award, Abstract American College of Phlebology November 2008, November 2012
- * Distinguished Fellow, American Venous Forum, Received February 2016
- * Elected “Honorary Member”, Congreso del Bicentenario Flebolinfo 2016, by the organizing three joint phlebologic societies, Buenos Aires, Argentina

Residency/Fellowship:

- * Best Clinical Paper, Seattle Surgical Annual Meeting, January 2000
- * Housestaff Award, Harborview Medical Center, 1998-1999
- * Alpha Omega Alpha

Medical School:

- * Alpha Omega Alpha, one of five in class elected in junior year
- * James W. Haviland Award
- * Graduated with Highest Honors, Graduated first in Medical School Class

High School:

* Valedictorian, National Merit Scholar
