## Board Certified in Hematology and Oncology, 2019

### **EMPLOYMENT**

Hematology Oncology Physician - Northwest Medical Specialties 9/2018-present Fellowship, Hematology and Oncology, University of Pittsburgh Medical Center, 7/2015 -6/2018 Assistant Professor of Medicine, Columbia University – Ambulatory Care Network. 7/2013-6/2015 Internship and Residency, Internal Medicine, George Washington University, D.C. 6/2010-6/2013

#### **EDUCATION**

M.D. Rutgers/Robert Wood Johnson Medical School, UMDNJ, Class of 2010 BS in Biological Sciences, Minor: Chemistry - University of Pittsburgh, 8/2002-12/2005 BA in English Literature with Honors – University of Pittsburgh

#### HONORS AND AWARDS

Yale/Stanford Johnson and Johnson Global Health Scholars Grant, 2012 Robert Wood Johnson Medical School Summer Research Fellowship, 2007.

Phi Beta Kappa Honors Society – University of Pittsburgh, 2006

Howard Hughes Medical Institute, Undergraduate research grant, 2002-2005 – for laboratory research on bacteriophages at the University of Pittsburgh.

University of Pittsburgh – full tuition academic scholarship for all semesters.

#### **TEACHING POSITIONS**

Hematology course - MED5222, RBC disorders lecture, to 2<sup>nd</sup> year medical students at University of Pittsburgh Instructor/Mentor for Foundations of Clinical Medicine course, Columbia University College of Physicians and Surgeons, taught clinical diagnosis skills and proctored standardized patient exams for medical school students.

**COSMO** (Columbia Student Medical Outreach) Clinic Attending - provided supervision and clinical teaching at this free clinic organized by Columbia medical students to serve uninsured indigent patients.

#### **PRESENTATIONS**

Namburi S, Broxmeyer HE, Whiteside TL, Boyiadzis M. "Persistence of exosomes in patients with acute myeloid leukemia in complete remission suppresses hematopoiesis." Presented at American Society of Hematology Annual Meeting, December 2018.

Namburi S, Broxmeyer HE, Whiteside TL, Boyiadzis M. "Plasma-Derived Exosomes in Acute Myeloid Leukemia Carry Dipeptidylpeptidase-4 and Inhibit Normal Human Hematopoiesis." Presented at American Society of Hematology Annual Meeting, December 2017.

Lontos K, Tsagianni A, Namburi S, Gandhi A, Yuan JM, Normolle D, Swerdlow SH, Dorritie K. "Location matters in nodal diffuse large B-cell lymphoma." Accepted for presentation at American Society of Hematology Annual Meeting, December 2017.

Namburi S, et al. Effect of chemoprevention uptake on mammographic density over time in women at high risk for breast cancer. San Antonio breast cancer symposium, Presented December 2015.

Thomas PS, Terry MB, Guo X, Zhao B, Ha R, Namburi S, Xiao T, Hershman D, Refice S, Crew KD. Changes in breast density with mammography and breast MRI among high-risk postmenopausal women. San Antonio breast cancer symposium, December 2014

Crew KD, Tong X, Namburi S, Terry MB. Association between vitamin D supplementation and mammographic density change over time in women at high risk for breast cancer. San Antonio breast cancer symposium, December 2014

Ghanem, S, Namburi, S, Rivera, G, Amdur, R, Schechter, GP. Patterns of non-hematologic malignancies in a population of African American veterans with monoclonal gammopathy of unknown significance (MGUS.) American Society for Clinical Oncology (ASCO). Chicago, IL, Presented in June 2012.

Namburi, S, Gannuscio, J, Arundel, C. Designing a project to evaluate implementation of the teach-back method at an academic government hospital. Academy for Healthcare Improvement, Washington DC, May 2012.

Namburi, S; et al. Isolation and Characterization of a novel phage genome. The American Society for Microbiology General Meeting, New Orleans, May 2004

### **PUBLICATIONS**

Duffy, J., Dumyati, G., Bulens, S., Kit, B., Namburi, S., Gellert, A., Fridkin S., Lessa, F. "Community-onset Invasive Methicillin-Resistant *Staphylococcus aureus* Infections Following Hospital Discharge: A Case-Control Study." Am J Infect Control. 2013 Sep;41(9):782-6.

Hatfull, G.F., Pedulla, M.L., Jacobs-Sera, D., Namburi, S., *et al.* Exploring the Mycobacteriophage Metaproteome: Phage Genomics as an Educational Platform. *Public Library of Science*, June 2006.

#### Textbook chapter:

Namburi S., Burgess M. (2019) Vaccine Therapy in Sarcoma. In: D'Angelo S., Pollack S. (eds) Immunotherapy of Sarcoma. Springer, Cham

#### **OTHER**

Fluent languages: Telugu, Basic Conversational: French, Spanish, Hindi

Memberships: American Society of Clinical Oncology, American Society of Hematology, Society for Immunotherapy of Cancer
