CME COMMITTEE

The purpose of the WAPI CME Committee is to identify educational needs and to design, implement, evaluate and document educational conferences and initiatives.

WAPI conducts a yearly 7 hr. category 1 event CME Event. This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership. ACCME accreditation seeks to assure both physicians and the public that continuing medical education (CME) activities provided by WAPI meet the high standards of the Essential Areas, Elements, Policies, Criteria, and Standards for Accreditation as specified by the ACCME.

This activity is supported by grants at no cost to the participant.

The CME Committee shall

1. Shall develop and plan for continuing medical education programs
  - o within and without the United States.
  - o Its goal will be to enhance the medical knowledge of the membership and health professionals
  - o Advancement & dissemination of medical knowledge.
  - o Deliver content from expert teachers.
  
2. Will contribute and help the Young Physicians and residents in contributing to the following pages of WAPI News Letter
  - o WAPI Physicians as Leaders, Who How and Why
  - o Clinical Articles
  - o Medical News Today
