NATIONAL QUALITY STRATEGY

## National Quality Strategy

Our Aim is in line with the Aims the NQS pursues three broad aims.

- **Better Care:**

Improve the overall quality by making health care more patient-centered, reliable, accessible, and safe.

- **Healthy People/Healthy Communities:**

Improve the health of the U.S. population by supporting proven interventions to address behavioral, social, and environmental determinants of health in addition to delivering higher-quality care.

- **Affordable Care:**

Reduce the cost of quality health care for individuals, families, employers, and government.

## Priorities

- Making care safer by reducing harm caused in the delivery of care.
- Ensuring that each person and family is engaged as partners in their care.
- Promoting effective communication and coordination of care.
- Promoting the most effective prevention and treatment practices for the leading causes of mortality, starting with cardiovascular disease.
- Working with communities to promote wide use of best practices to enable healthy living.
- Making quality care more affordable for individuals, families, employers, and governments by developing and spreading new health care delivery models
