	<p><b>Patient Outcomes</b>- (actually measure change in patients)</p> <p>Selecting this option requires the CME activity track change in patient outcomes:</p> <ul style="list-style-type: none"> <li>provide tangible improvements and data to support overall change to patient outcomes</li> </ul>

What potential barriers do you anticipate attendees may encounter when incorporating new objectives into their practice?

	Lack of time to assess or counsel patients	Other – describe:
	Cost	
	No perceived barriers	
	Lack of administrative support/resources	
	reimbursement issues	
	Insurance/	

Describe how will this educational activity address these potential barriers and the strategies used?

WAPI, an organization that is driven by the consensus of its members that has the following mission:

To provide an umbrella organization to bring together American Physicians, Dentists and Allied Healthcare Professionals of Indian Origin, defining Indian in the broad sense of Indian Ancestry; to provide a conduit to strive to be an exemplary strong ethnic group of professionals with a mission to serve the community by their expertise, cultural heritage and charitable work; to provide high educational and social services to its members. We envision this to be a collegial organization with actively participating members, who believe in its mission and are willing to further its cause.
